WHO ARE WE? MISSION & VISION

DAUGHTERS OF HAWA, A REGISTERED INCORPORATED ASSOCIATION, WAS ESTABLISHED IN 2022 TO BRING TOGETHER THE PERTH MUSLIMAH COMMUNITY.

We aim to embark on many adventures together—strengthening our faith, building better relationships with ourselves and with one another, and nurturing the bonds of sisterhood along the way.

By the grace and mercy of Allah, we trust that every goal we set can be reached, and every heart we touch will grow stronger, inshaAllah.

Our space provides the opportunity for strong, confident women to grow in a safe,

Islamic environment—while also educating our youth and encouraging them to engage in meaningful community service.

Some of our past events include:

- Recreational Programs: Badminton, Archery & Go-Karting
- Self-Development & Islamic Talks
- Sisterhood Circles and Socials

THE INITIATIVE

FOR MUSLIMS, BY MUSLIMS

We're stepping into a new direction—creating faith-aligned care services by working with established providers, with two goals:

- Employment for Muslims in the care sector
- Safe access to support for Muslim NDIS participants

We want the people providing care to reflect the people receiving it—with shared values, language, and cultural understanding.

The Initiative: Building a Culturally Safe Care Space

OPPORTUNITIES

TOGETHER, WE CAN CO-CREATE A CARE SPACE FOR OUR UMMAH. LET'S TALK ABOUT HOW WE CAN SUPPORT EACH OTHER.

MUSLIM SUPPORT WORKERS

We're calling on brothers & sisters in the community to step forward and explore a rewarding path in support work—a field where compassion, care, and cultural understanding matter deeply.

Whether you're:

- Looking to earn casual income in a values-aligned space
- Interested in flexible work that makes a real impact
- Wanting to help Muslim clients feel understood and supported
- Or just curious about where this path could take you...

We want to hear from you.

We'll help guide you toward the next steps, connect you with the right people, and support your growth inshaAllah.

CALLING FOR COLLABORATIONS!

Our goal is not just to launch one partnership—but to spark a wider movement where Muslim care providers, organisations, and individuals work together for the betterment of our community.

We're actively seeking to connect with:

- NDIS providers
- Community groups
- Masjids & youth organisations
- Health/wellbeing service providers

GIVING BACK

TOGETHER, WE CAN BUILD A SPACE THAT REFLECTS THE VALUES OF OUR UMMAH AND PROVIDES REAL, LASTING SUPPORT.

CALLING FOR COLLABORATIONS

We're open to forming simple, values-based agreements where:

- You help us recruit or place Muslim support workers
- We refer clients from our community to your services

If you're aligned with our vision of "for Muslims, by Muslims", we'd love to hear from you and see how we can build something together that benefits everyone.

OUR REFERRAL FEE

For every client referred through an official agreement, we propose a percentage goes back to Daughters of Hawa to support our youth programs.

That means more:

- Events for sisters
- Workshops & talks
- Growth opportunities for Muslim women

A Circle of Benefit

The client receives culturally safe support.

The provider gains a trusted referral.

The community benefits from reinvestment.

We believe in building systems where everyone wins—and where good work leads to even more good.

Prior experience is necessary. We'll guide you through the basics and connect you with the provider to start your journey.
